THE FRIENDS OF THE JEMEZ SPRINGS PUBLIC LIBRARY PRESENT

Dede Feldman

Inside the New Mexico Senate: *Boots, Suits and Citizens*

A Sunday Salon
Sunday, July 20 2 - 4 p.m.
at the Library

Former State Senator Dede Feldman will talk about her book *Inside the New Mexico Senate: Boots, Suits and Citizens*. A successful and productive legislator, Dede's vividly written book casts light on the inner workings of New Mexico government, a tale of political change through building unlikely coalitions, telling compelling stories and understanding how the system works. This is a "how to" book for reformers who need to know how to take their cause to the "powers that be" in the legislature. Learn how to – and how not to – pass legislation to provide affordable health care, ethical government, lower prescription drug prices, a sane drug policy and an end to the death penalty.

Books will be available for sale at the Salon.
