### Jemez Springs Public Library Board

Are you interested in serving on the Library Board? Each October, as part of regular member rotations, there are some possible open positions on the Board for which we

take applications year round.

If you would like more information, please ask the Library Director.

#### What does the Library Board do?

According to our by-laws, the Library Board acts in an advisory capacity to "advise and assist the Village of Jemez Springs Board of Trustees in every possible way to insure the

efficient and economical management and operation of the

Jemez Springs Public Library."

To this end, we seek board members that will result in a representative cross-section of our community.
