

May 2015 Library News and Events

Check it out! Let us help you access thousands of FREE e books and audiobooks online!

Volume 2, Issue 2

Summer is a great time to relax and enjoy all those books you haven't had time for and the library has a treasure trove of titles you haven't dreamed are just a touch away in downloadable e books and audiobooks. Just because we have a small space doesn't mean we have small choices. Bring in your e reader, smart phone, tablet, or laptop to get started using our online library available 24/7. Don't have one? We have two Nooks to check out too, an e reader for books only and a tablet for both audiobooks and e books! Try it out from home by exploring the Sandoval Digital Library: <http://sandoval.lib.overdrive.com>
